

Mozaic and Halo Announce Partnership to Deliver Cost-Optimised, Future Ready Solutions

April 30, 2025

MOZΔIC

30 April 2025 – LONDON, UK - [Mozaic](#), a leading digital transformation consultancy, has announced a new strategic partnership with Halo, one of the fastest-growing next-generation Enterprise Workflow Platforms. The collaboration strengthens Mozaic's commitment to delivering flexible, value-driven solutions that align with clients' unique business goals and digital ambitions.

With a longstanding reputation as a trusted partner, Mozaic has consistently delivered tailored transformation programmes that start with organisational goals and work back to the most effective tools. The addition of Halo to Mozaic's ecosystem enables the consultancy to offer greater choice to clients navigating the evolving digital landscape. Whether businesses are just beginning their workflow journey or looking to extend and optimise their existing platforms, this new partnership creates exciting possibilities.

Halo's agile and scalable platform is already gaining attention for its ability to meet the needs of complex enterprises seeking efficiency and innovation. Combined with Mozaic's deep expertise in implementation and optimisation across all sectors, the partnership ensures clients can confidently adopt and integrate the solutions that best support their strategic objectives.

Steve Tuppen, CEO, Mozaic, said, *"This partnership with Halo reinforces our platform-agnostic approach to digital transformation. By adding Halo to our ecosystem, we're able to offer clients a powerful new option that combines flexibility and functionality with a strong focus on cost optimisation."*

He continued, *"The rapid growth of Halo is a testament to the value it brings to modern enterprises. It's not about pushing a single tool, it's about finding the right solution for*

each organisation, delivering scalable, tailored workflows that unlock real value, drive sustainable outcomes, and help businesses stay future ready.”

Paul Hamilton, CEO, Halo, commented *“We’re really pleased to be partnering with Mozaic. Their thoughtful, client-first approach aligns perfectly with what we stand for at Halo. It’s a great fit, and we’re excited to see the impact we can make together as more organisations look for flexible, future-ready solutions.”*

Mozaic and Halo are united by a shared vision of empowering organisations with the tools and strategies they need to thrive in a digital-first world. The partnership is already underway, with joint client engagements in progress.

About Mozaic

Mozaic is a specialist consultancy and a partner of choice for organisations seeking to improve their strategy, delivery, and operations. With a collaborative approach that blends deep expertise and practical innovation, Mozaic helps clients rapidly assess challenges, co-design solutions and operating models, build internal capability, and accelerate delivery through proven methodologies and toolkits.

The transformation Mozaic enables goes beyond change - it’s about empowering teams for sustainable growth. More than 100 leading businesses have partnered with Mozaic to deliver real-world outcomes and ensure they are Future Ready.

About Halo

With a multi decade history, Halo has gone through a complete rebrand in 2019 and launched an innovative suite of products that are changing the way enterprise services are delivered globally. Halo's cloud and on-premise service platform [HaloITSM](#), used to provide Enterprise Service Management across all departments, and [HaloPSA](#), used by IT Managed Service Providers, utilise the latest technologies to empower support teams across the globe.

Halo is a privately owned software company, building innovative service management platforms for digital-first businesses. Our dedicated team works across our product suite; developing, selling, supporting, managing, and implementing the platform all in-house.

With a growth rate of over 300% over the last 3 years, Halo has been named one of the fastest growing companies by the Financial Times (FT 1000: Fastest Growing Companies), and is trusted by over 125,000 teams in more than 75 countries.
